

Dear Inasmuch Foundation,

*Date*

I would like to take a moment and thank you for providing the Oklahoma History Center with grant funds supporting education in Oklahoma. Because of your generosity *School Name* brought # *Students* to the History Center on a field trip this year!

We cannot tell you enough how thankful we are that such funds were available to help bring our *Grade of Students* on this fieldtrip. Without your generosity, this trip would not have been possible.

*Please add comments about student experiences here. If you have any specific remarks by you or students please include them. If you have student notes to include, please do so.*

Thank you for your time.
